

complex problems have simple solutions

Just say
the Monastery always

let them drink at the river

status screens can be pushed together for whittling

I want you to answer my question
if you understand

Where is the bishop?

Huh

Mean with dress and pointy hat?

Oooh

Merc Notes

2/13

- Capitalize Monastery or not
 - maybe diff word
- combine "wake up Gorex" and "wake up City" into one passage

① Lili: - What made you want to be merc:
- Word choice "deep, ambiguous yearning for more", "Wanderlust"

② Status Screen:
- "You think... reflecting on your mortality!"
change period to colon, i.e. "mortality!"

③ Test Much room on Companion:
= "Continue Along..." = "Continue Along..."

- Any time approval/karama adjusts,
say "Your karama went down."
- consider warning abt a change

Ogre/Half Fly

(Let play out)

At Ogre

Half

Sneak (B)

Ogre dies

Ogre lives
- interruptions

Drop's back
by getting
caught
it's back

investigate

(can get ashes for
later)
