

Merc Game (Twine)

General Notes:

- When leaving Ashenbark Woods with Rafferty, you hear a distant cry. You may investigate, upsetting the Bishop. IF ~~you~~ ^{you} she can hear its a man. It is a wizard, that you may escort back. He offers to TP you all to town if you go deeper into encampment to recover regents. Increases Karma, Decrease Rafferty satisfaction.
- Endings are mostly based on:
 - Karma
 - ~~Bishop~~ Client Satisfaction
 - Companion choice + interactions
- Change Gorexia to Gorex
- Make info gathering mandatory via visited() function. Check if all are visited, then show continue
- Lower detail across the board
- Put red herring things to investigate when encountering ~~must~~ ^{must} or similar item

Gen. Notes Cont. 1!

- Use Datamaps and Dynamic Links for ^{such as} ~~things~~ ^{things}
- "Check on Companion" (R)
- "Check on Bishop" (B)
- ~~Perception Checks (idk?)~~
- Check inventory
 - companion equipment
 - items
- ^{iden} Encounter Dragon Eggs, Bishop wants to keep them for his collection, ~~they~~ companion does not like. They end up hatching and injuring companion
 - warm, wriggling to indicate hatching soon
- Simplify choices by just using decreased companion approval
- Profit, pay, and losses are shown at End Screen, + R
- ~~Stop paragraph ending with like~~
- If perfect companion, may 
- [[Check Status]]
- Let them know of changes to
